Sioux Falls Hotel
June 22nd

Dear Parents of the above teams:

It has been a challenge trying to set up room blocks for your team for the tournament in Sioux Falls June 21-23. The tournament director was supposed to have blocks set up, but those apparently have fallen through. To get you guys some options right away, I have called around to various hotels. There is quite a discrepancy between property rates and what they offer, so rather than assign each team to a specific hotel, we have decided to give you the information about the hotel blocks that we have set up and let you choose as a family where you would like to stay. The following hotels have blocks set up for your convenience, but you do not HAVE to stay at one of these properties. (There are plenty of hotels available in the area, but none that have the availability of 10-room blocks.)

PLEASE NOTE THAT WE HAVE REQUESTED TO NOT PLAY GAMES UNTIL AFTER 12PM ON SATURDAY to avoid a Friday night stay. I have every reason to believe they will accommodate us!

Room blocks have been set up at the following properties. Please pay close attention to the cut off dates!
